❖ *ACADEMIC BACKGROUND*

- **2016-....** Assistant teacher
Department of environmental Engineering. Faculty of Engineering,
environmental engineering, GUELMA University, ALGERIA.

- **2016** Teacher tutor
Department of environmental Engineering. Faculty of Engineering,
environmental engineering, GUELMA University, ALGERIA.

- **2012-2016** PhD in environment engineering
Department of environmental Engineering. Faculty of Engineering,
environmental engineering PhD program (4 years), ISTANBUL University,
TURKEY.

AN INVESTIGATION ON INITIAL DILUTION OF THERMAL
MARINE OUTFALLS DISCHARGING INTO
SHALLOW RECEIVING WATERS

- **2014** Istanbul academy of science Certificate of successful completion for
international student academy seminars
Course load including the seminars, politics and economy, history of
thought, art and aesthetic, language and literature. Istanbul. Turkey

- **2011-2012** Learning Turkish language

Ankara University Turkish and foreign language practice and research center Tömer degree portfolos European languages (C1)

- **2011-2012** **Learning english language**
Ministry of Education, Directorate General of lifelong learning, course completion certificate foreign languages, inglizce, midrange, trabzon.

- **2009-2011** **Master II in biology, Specialty : microbiology,**
Option: health; water and environment, environmental microbiology
Department of Ecology and Environmental Engineering
Faculty of SNV-UT, University of Guelma, Algeria.

Contribution to the study physicaux chemical and bacteriological of the water of the beaches in the city of Annaba.

- **2006-2009** **licence Domain: natural sciences and life, field: biology,**
Special field: general microbiology.
Reference : well
Department of biology and Environmental Engineering,
Faculty of SNV-UT, University of Guelma,Algeria.

- **June 2006** **high school Diploma « Science and Nature of life».**
Reference : fairly well
(High school: Houari boumadienne : guelma , Algeria).

- **June 2002** **BEF**
Reference: well
(School: Ahmed Gueroui-Sellaoua anouna -guelma , Algeria).

❖ **PROFESSIONAL EXPERIENCES**

- **March 2009** Internships practice to the laboratory for analysis to the health sector of houari Boumadienne (15 days).
- **Décember 2010** Internships practice to the laboratory for bacteriological analysis within the 'hospital of Oued zenati (15 days).

❖ **TARNING COURSE**

- Computer science : Word, Excel and Power point.

❖ **THE HOPPIES AND SKILL**

Sport, music, cinéma, traveling

❖ **LANGUAGES**

- Arabic native language.
 - French Speak, write and read
 - English Speak, Write and read.
 - Turkçe Speak, Write and read.
 - Spanish Write and read.
-

❖ **COMMUNICATIONS**

- **DJAMAA FATMA**, İstanbul university, faculty of engineering dept. of engineering and environment-Turkey, ECPA International congress estuaries and coastal protected areas, İzmir-Turkey 04-06 november 2014, monitoring the sanitary quality of coastal waters of the city of Annaba, east Algeria.
- **DJAMAA FATMA**, Houhamdi. M, (26 May2011). Contribution to the study physicaux chemical and bacteriological of the water of the beaches in the city of Annaba. 1st day national on Pollution chemical and bacteriological on the water's surface and Groundwater.
- **Fatma DJAMAA**, and **Semih NEMLİOĞLU**, Shallow Receiving Water Boundary Effects on Initial Dilution of Horizontal Heated Water Jets. THIRD INTERNATIONAL CONFERENCE ON RECYCLING AND REUSE (R AND R). İstanbul, TURKEY | September 28 -30, 2016.
- **Semih NEMLİOĞLU** and **Fatma DJAMAA**, An investigation on initial dilution of thermal wastewater discharges into shallow receiving waters with 60° inclination. 1ST INTERNATIONAL BLACK SEA CONGRESS ON ENVIRONMENTAL SCIENCES (IBCESS).Giresun, TURKEY | August 31 - September 03, 2016
- Ugur Emre Temelli, Naim Sezgin, **Fatma Djamaa**, Semih Nemlioglu. An investigation on initial dilution of thermal wastewater discharges into shallow receiving waters with 60° inclination. **Journal of Desalination and Water Treatment**.
- Second Marmara Sea Symposium Marmara municipal association (2015).
